WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., SATURDAY, AUGUST 27, 1904.

ONE COPY—ONE CENT.

DOWN ON THE FARM.
I'm going to the dear old farm,
I'm going far away,
To lie upon the new-mown eggs
And eat the new-laid hay.
'Tis there that Bess and Brindle yield
The milk so crystal clear;
'Tis there the mossy bucket holds
Its warm and foaming cheer.
And then I'll eat the fattest colt.
With glad and joyous laugh,
And as in boyhood's vanished days,
I'll ride the frisky calf.

—Puck.

WHAT HE SAID

Dobyns Maybrier the Murderer Puts on a Defiant Air

Now that he has been tried, sentenced and in the Penitentiary, presumably for life, it will do no harm to repeat what was said by many conversant with the killing of George W. Thompson by Maybrier, and that was—

Had Maybrier been a man of character instead of the man he is, he would have been acquitted.

Men are sometimes hung on general principles, and perhaps this is a case in point.

He is a bad man, there is no doubt.

After he had been returned to this city and placed in Jail he was asked if he was not afraid during his trial of being mobbed.

"Not by a d—n sight," was his prompt and energetic reply.

Holding up a twist of tobacco he said to a fellow prisoner—

"They'll not get my money when they search me at the Pen."

The inference being that he had his money concealed in the twist of tobacco.

He said he would get a pardon in a short while, and that his Attorney, Robert Buckler, did all he could for him under the circumstances, seemingly grateful for services rendered.

The Jury, he said, was chosen from those who were in favor of mobbing him.

Asked as to what would become of his wife and child, he said the county would provide for them until winter when his wife would go to a kinsman in Harrison county.

Maybrier is a degenerate of the worst kind and probably the Penitentiary is the best place for him after all.

THE LEDGER stands for honesty in politics as it stands for honesty in other things. If any of its patrons take issue on this point, please speak out.

THE cost of the various strikes in Colorado during the last sixteen months is estimated at \$23,036,000. Of this amount the state had to pay \$636,000 to maintain troops in the field.

DENOUNCING thievery in the opposite party loses its force when one doesn't denounce thievery in his own party.

THE LEDGER has, in season and out of season, been a staunch supporter of Dr. HUNTER; but it is from Missouri, anent the recent Eleventh District Primary.

HERE are two pictures of the Democratic Convention for the Fifth Appellate District, held at Lexington, and which resulted in the candidacy of Judge CANTRILL. The pictures, it will be observed, were drawn by the same artist—one "before" and one "after" the Democratic State Central Committee declared it had no jurisdiction over thievery and "recognized" CANTRILL as the candidate. Look at 'em—

Jessamine Journal.
Such disgraceful conduct as was enacted in the Democratic Convention at Lexington last week is what brings reproach and often defeat to the party. Is it possible that as Democrats we cannot assemble together to nominate a candidate without converting the gathering into a howling mob that would disgust any law-abiding citizen? Any man or set of men who would concoct such a scheme as was carried out at Lexington should be kicked out of the party.

Jessamine Journal.
Judge JAMES E. CANTRILL will receive the largest majority for Appellate Judge ever given a candidate in the District. The two candidates who opposed him for the nomination are excellent gentlemen, but CANTRILL was undoubtedly the choice of the people.

"The people" in this case was composed of a Chairman who overrode all law and all decency—and the "great common people" as well.

Political Pickings

THEY BUT FOLLOW GOEBEL'S LEAD.

Maysville Evening Bulletin.

Two Negro men were run over and probably fatally injured by a C. and O. train at Covington this week. A few hours after the accident the wife of one of the men had employed an attorney to sue the Company for damages. The Enquirer says on her return home she found a number of other attorneys waiting her, all anxious to bring the suit. These shysters are a discredit to their profession, and they should all be disbarred for such practices.

Chenoweth's Icecream Soda.

There is a difference between Chenoweth's Icecream Soda and the common kind. You will appreciate the difference when you have tried it. We serve ours with pure fruit syrups made freshly every other day or so. The common syrups may do for other fountains, but not for ours. There is the same difference in the quality of our icecream and in the way we serve things.

Perfect soda service affords very little direct profit—the profit comes by pleasing patrons. Our fountain is a trade-bringer rather than a profit producer. That's the whole secret of the difference.

Before returning home they will visit Lexington, Georgetown, Frankfort and other towns. They came here by rail and awaited the arrival of their machine on the Courier.

THE BARLOW MINSTRELS.

Lovers of real good old-fashioned minstrelsy will be pleased to learn of the appearance of the great Barlow Minstrels in this city on Tuesday, September 6th. Their past reputation which has been fully demonstrated has proven them a first-class company composed of singers and comedians who present your money's worth to better advantage than any other attractions. This season Manager J. A. Coburn has taken the greatest of pains to surpass all previous efforts and patrons of this attraction may feel assured of a first-class performance in every respect.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

It was an entrancing sight to look upon the beautiful young womanhood that graced the occasion with their presence, all gowned in party dress and with their fresh and lovely faces presented a scene of loveliness that caused exclamations of admiration and delight.

The young gentlemen had the appearance and mien of Cavaliers of old, which rounded out and completed the setting as one perfect picture.

The dance was given in honor of lady visitors in the city, and no doubt will be treasured by them as one of the most delightful occasions of their life.

The music was furnished by the Maysville Orchestra.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is a thriving community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

CAN'T BE SEPARATED

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them; And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. E. J. Thompson of 911 East Second street says:

"Mr. Thompson procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and speaks in high praise of their curative powers. Entire exemption from suffering from backache is something so entirely unusual that a remedy which acts so promptly and effectively as did Doan's Kidney Pills is a most desirable one of which to know."

For sale by all dealers. Price 50 cents a box.

Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

River News

Gage 4.7 and falling.

The Tacoma was the Pomeroy boat up last night.

The Big Kanawha passed down yesterday from Charleston.

Business has not been so dull on the river for a year as it is now.

It is rumored that the Pittsburgh coal combine will put all its Cincinnati business in charge of one man, and thus cut off several managers.

The towboat Alice Brown cannot be hauled out on the cradles at the Queen City Marine Ways until a rise of about two feet of water comes.

With more than four million bushels of coal lying in the pools around Pittsburgh and enough towboats to move it, the river interests are anxiously awaiting a rise.

Ed Holland, Mate on the steamer Greyhound, charged with the murder of a colored hand whom it is alleged he pushed overboard, is being tried at Huntington.

No boats are on the Cincinnati Marine Ways now. The W. W. O'Neil and Harry Brown have been placed in the water and are tied up below the Ways awaiting a rise to leave Cincinnati.

While the towboat George Matheson worked at the Marmet Coal Harbor in Cincinnati a day or so since a coalboat was towing, containing 15,000 bushels of fuel, sprang a leak and sank at the edge of the channel, threatening to stop navigation. Work of emptying the craft was at once begun, and over half the coal was recovered. The loss will be slight.

Mr. Charles Fowler was at Washington Friday. He reported his father somewhat improved in health.

It appears there wasn't much more fuss and excitement at Mt. Olivet during the trial Thursday than there is at the general run of Camp-meetings, although there seemed to be "blood and thunder on the moon."

BIRTHS

MARSHALL.
Born yesterday to Mr. and Mrs. Carroll P. Marshall of Huntington, W. Va., a daughter.

THE SIGN OF THE CROSS COMING.
After two years correspondence it has been definitely settled that this famous play will at last be seen in our city. The Sign of the Cross has been a very strong attraction the past seven years in all the larger cities and it has been almost impossible for our local manager to secure this play as the company has never, until this present season, played one night stands. It is needless to say that the theater will be packed when this beautiful play will be presented.

THIS IS THE WEEK Of the GERMAN-TOWN FAIR.....

And this Fair has been the pride of Mason county for fifty years. Go out and see the best show of stock to be seen in Kentucky. You will have many invitations to a good dinner. Take your wife or sweetheart, and if you have neither apply at the Directors' office and they will find you one, if you deserve one. Many happy couples remember their first meeting in the Courting Gallery at the Germantown Fair.

P. S.—If you see anyone barefooted, please tell them to call and see
